FOOTNOTES

*1 These are inactive at the present time.

*2 The operation of this new corporation was largely the responsibility of The Iron Ore Company of Canada. However, the Board of Trustees was responsible for the administration of certain controls.

*3 Limitations of time and staff precluded completion of the audit of the accounts of this community in respect of the year ended 31 December 1961 and, therefore, actual figures are not available.

*4 These are new corporations which were not entirely active for all of 1961 and have not received initial audits to date.
